

FOR IMMEDIATE RELEASE

Flozone Measurement Ltd. now a SICK, Inc. Authorized Integrator

Minneapolis, Minn., December 8, 2021 – SICK (www.sick.com), one of the world’s leading manufacturers of sensors, safety systems, machine vision, encoders, gas analyzers, and gas measurement solutions for factory, logistics, and process automation, today announced Flozone Measurement of Odessa, TX has become a SICK Authorized Integrator for SICK’s Process Automation division.

Flozone will join the ranks of SICK’s established group of Authorized Integrators serving the United States. This partnership expands SICK’s ability to offer natural gas flow measurement solutions to its customers through a competent integration partner. Flozone is an industry leader and full-service manufacturer of Oil & Gas measurement equipment. Flozone offers a wide range of meter tubes, skid-mounted meter runs, and packaged measurement stations to the Oil & Gas industry. As a SICK Authorized Integrator, Flozone provides turn-key systems for Upstream Gas market applications.
